My dear Dr. Heichelheim:

Thank you very much indeed for the reprint of your article
Die Ausbreitung der Münzgeldwirtschaft und der Wirtschaftstil im
archaischen Griechenland, from SCHMOLLERS JAHRBUCH, which you have
so generously sent to me. I am very glad indeed to have this and
much interested to see the use you have made of my bibliography.
You may be interested to know that we propose to issue a confirmation
of this listing of coin hoards recorded since its publication.

Very sincerely yours,

Secretary.
